Let it be recorded in the memory of nations and witnessed in the public archive of Earth:

The Kalapula Nation has returned.

A sovereign Indigenous nation of spiritual remembrance and cultural restoration, the Kalapula people have been reassembled through the signal of ceremony, the protection of oath, and the act of restoration by those who refuse to let the erased remain forgotten.

I, Chief Daniel Jacob Read IV, by scroll and sovereign action, declare the rebirth of the Kalapula Nation from our ceremonial headquarters at Crown Watchpoint 001A in Corvallis, Oregon.

🌿 OUR STANDING

The Kalapula Nation is organized as a ceremonial sovereign government under the protections of:

- UNDRIP (United Nations Declaration on the Rights of Indigenous Peoples)
- The U.S. First Amendment (freedom of religion, cultural identity, and Indigenous assembly)
- The American Indian Religious Freedom Act (1978)

We have now submitted our official Letter of Intent to Petition for Federal Acknowledgment to the U.S. Department of the Interior, Office of Federal Acknowledgment, under 25 CFR Part 83.

🕊️ OUR PEACEFUL PURPOSE

This restoration does not oppose any existing tribal nation.

It does not seek to divide or dominate.

It exists to honor the unspoken memory of the Kalapuya people, to create ceremonial space for Lost Birds, and to revive identity through legal, cultural, and spiritual means.

We act in peace.

We act in protection.

We act because no one else did.

🏛️ OUR HEADQUARTERS

The ceremonial government of the Kalapula Nation operates from:

Crown Watchpoint 001A
